Monday, June 19, 2023
5:00 PM to 6:15 PM CT

REGISTER NOW

Featured Speaker

Lauris C. Kaldjian,
MD, PhD

Director, Program in
Bioethics and Humanities
Carver College of Medicine

About the Series

The Foundations for Flourishing series aims to increase awareness and understanding of the KNN's four fundamental framework elements: character, caring, practical wisdom and flourishing. The four-part series will discuss the concepts and teach how to practically apply them in every day life in order to create a brighter future for the profession of medicine—one where all can flourish.

About the KNN

The KNN is a national movement whose work is focused on integrating four foundational elements within the profession of medicine: character, caring, practical wisdom and flourishing. We advance this work by connecting and convening stakeholders across the health ecosystem, catalyzing transformative initiatives, and influencing policy and systems change.

This series is presented by the Kern National Network for Flourishing in Medicine (KNN) through an investment from the Kern Family Trust and Kern Family Foundation.
